

Service Excellence. Collaboration. Innovation.

Internship Programme at AMS

Gain a professional experience in an international recruitment company!

Join Alexander Mann Solutions for the next Internship Programme starting in January 2020!

Through our Internship Programme, we offer passionate, talented people like you end-to-end exposure to our inspiring work environment.

Internship Programme at Alexander Mann Solutions is a great way to apply what you have learned in school, test the waters of the professional world and build a strong foundation for achieving your career goals. As an Intern at AMS, you will be part of a global organisation. You will enjoy varied work experiences that help you develop skills such as teamwork, effective communication, professional networking, and understanding of business procedures.

Would you like to know all the secrets of job recruiters?

Would you like to know how to interview and be interviewed?
